The most unique concept in youth flag football has come to Naples. K6 Sports offers a football instructional academy supplemented by relevant quality game experiences. Unlike most recreation programs which are mostly operated by volunteer coaches and parents, K6 sports teams are coached by certified youth program professionals who teach and coach the game in carefully planned progressions. The fundamentals and progressions taught by our coaches lead into offensive and defensive schemes and concepts. Each child can learn many of the techniques needed to be successful in tackle football without putting on the pads. In addition our program is adjusted to the age and ability of the players to ensure that the highly skilled athlete will get challenged and the novice will have opportunity for success. Most importantly our coaches are great role models who emphasize sportsmanship and will teach all athletes how to become good people as well as good players. Our two hour Saturday format leaves weeknights free for homework and only ties up one day per week. For less than \$10 per week the quality of instruction in our program is unmatched. For more information please call 239-290-3430.
